

Responsibilities:

- Apply knowledge of engineering to design roadway drainage improvements.
- Follow design standards to layout proposed improvements in MicroStation and coordinate design with project engineers.
- Work with project support staff to complete project requirements.
- Coordinate with reviewers to ensure accuracy and quality of work.
- Perform work within project deadlines.
- Clearly communicate work through drawings, documents, reports, and verbal exchange.

Qualifications:

- B.S. degree in Civil Engineering.
- Professional License in PA or ability to obtain PA PE within 1 year of hire.
- Minimum of 4 years of drainage design experience on transportation projects.
- Solid verbal and written communication skills.
- Good interpersonal and customer service skills.
- Strong organizational skills and attention to detail.
- Experience using MicroStation, InRoads Storm and Sanitary, and MicroSoft Excel preferred.
- PennDot design experience preferred.

**About You**

As an individual that is driven to be a true contributor, as a professional committed to excellence and growth, and as a person who values integrity, respect, and communication. You are looking for a firm that is large enough to win complex, extensive projects, yet small enough to provide the coaching, exposure to a variety of work, and authentic culture you desire. You're interested in making a difference which is why you are seeking a firm that does public sector projects, ensuring your work has a positive impact on the communities in which we live.

**About Lochner**

Since 1944, Lochner has maintained a solid focus on planning, environmental, design, right of way, and construction management services within the transportation sector. With more than 30 offices throughout the U.S., Lochner is a client focused, performance driven, and employee owned organization that thrives on turning the toughest roadway, structural, aviation and transit challenges into opportunities for innovation, added value, and impact mitigation. Our professionals are dedicated to our client's vision and understanding their real challenges through partnership. At Lochner you will be encouraged to grow through training and experience that prepares you for advancement into higher responsibilities. Our office participates in giving back to the community through charitable activities. We also provide opportunities for team activities to promote a fun and cohesive workplace.

Lochner is an employee-owned corporation with a comprehensive benefits package that includes:

- 401(k) and ESOP retirement plan
- Flexible spending accounts
- Life insurance, medical, dental, and vision coverage
- Paid time off (PTO)
- Maternity leave program
- Flexible work schedule

**EOE/Minorities/Females/Vet/Disability**

All positions at Lochner require an applicant who has accepted an employment offer to undergo a background check. Background checks include SSN validation, education verification, employment verification, a criminal check, search against global sanctions and government watch lists, fingerprint verification, and oral drug test. All employment offers are contingent upon successful results of the background check.
